Roster: There will be singles and doubles leagues offered. Game times will be assigned prior to your scheduled play date. Players will also have the opportunity to register on site after the event begins if there are available spots.

Format: The exact tournament or league format will depend on the number of teams that register. A pre-registered team will be considered to have forfeited their game if they are not present 5 minutes before their scheduled game time. These forfeited spots will then be available for those wanting to register on-site. All games will be played in the Gymnasium/MAC located inside the Student Recreation Center. A champion will be chosen based off of an elimination tournament format.

Equipment and Safety: All equipment will be provided by UConn Recreation. Players must remain six feet apart at all times. Players should only stand near the board when it is their turn to throw. All players will be required to clean their own equipment after each use. Cleaning materials will be provided.

Timing: Teams will have 40 minutes to complete a maximum of 3 games against their opponent. The winner will be the first team to win 2 games out of 3. If a team wins the first 2 games, a third game will not be played. Players should arrive at the Recreation Center at least 30 minutes before their assigned game time to accommodate for any building entry wait time.

Gameplay:
- Games will begin with rock paper scissors to determine throwing position and bag color.
- During their turn, each player will throw all their bags consecutively.
  - e.g. 4 blue bags thrown, then 4 gray bags thrown
- During their turn, players can throw from whichever side of the board they choose. The player not throwing must stay six feet from any other players.
- If playing singles (1 v 1), each player will switch sides after each game.
- If playing doubles (2 v 2), each player will remain on the same side for every game.
- Boards will be placed by Intramural Sports Staff, and should not be moved.

Scoring:
- 1 Point : Bag on Board
- 3 Points : Bag through hole
- Any bag that touches the ground in any way without making it through the hole does not count.
- Any bag that does not go completely through the hole counts as only one point.
- Cancellation scoring will be used at the end of every round. After all bags have been thrown, the score will be calculated based on the bags remaining on board and in the hole. Ex. If Team A scores 6 points and Team B score 2 then Team A will receive 4 points.
- All games will be played to 21. There is no win by 2 or other scoring rules. If a team scores more than 21, it will still count as a win.
- All matches will be best 2 out of 3
