FORMAT: The exact tournament format will depend on the number of teams (2 players per team) that register. Players will also have the opportunity to register on site after the event begins if there are available spots. A pre-registered team will be considered to have forfeited their game if they are not present 5 minutes before their scheduled game time. These forfeited spots will then be available for those wanting to register on-site. All games will be played in the Gymnasium/MAC located inside the Student Recreation Center. The course will be outlined for each new participant.

TIMING: Players will have 55 minutes to complete a 9 hole course.

EQUIPMENT AND SAFETY: All equipment will be provided by UConn Recreation. Participants must remain six feet apart at all times. All players will be required to clean their own equipment after each use. Cleaning materials will be provided. Each player will be given one disc to use for the entirety of the round. Players are not allowed to trade discs after a hole is completed.

RULES:

- **Starting a round:** Each registered team will receive a tee time. When you arrive for your tee time your team will be assigned a hole from 1-9. This is the hole you will be playing first with a shotgun start at your designated tee time. If you start on hole 7, then you will continue to hole 8, etc. until you complete hole 6 as your final hole.

- **Starting a hole:** Each hole will begin with tee throws. Players will throw from behind a designated area once all players ahead are out of range. When throwing the disc, the point where the disc comes to rest on the ground, is where the disc will be thrown from next. After completing the hole, the player with the least throws attempted, will Tee off first for the next hole.

- **Throwing the disc:** Players may throw the disc in any desired motion with feet planted. Rolling the disc intentionally will not be allowed. Run-up throws will not be allowed. If a disc comes to rest on an unreachable surface/object, the thrower will be penalized one stroke for the action of obtaining the disc. e.g. Disc is thrown and comes to rest on the rim of a basketball goal = one stroke penalty for knocking the disc back onto the floor

- **Scoring:** The amount of throws used to complete a hole will be the score for the round. The player with the lowest score combined after all holes will be declared the winner.

- **Completing a hole:** Once the disc comes to rest in the basket or chains, the hole is completed and that player’s score can be tallied..

SPORTSMANSHIP: Good sportsmanship is required of all participants. Players are to conduct themselves properly at all times. UConn Recreation reserves the right to suspend or disqualify teams or individuals for unsportsmanlike conduct at any time. Unsportsmanlike conduct before, during or after a game (event) will not be tolerated. Unsportsmanlike conduct includes actions that are unbecoming to an ethical, fair, honorable individual. It consists of acts of deceit, disrespect, or vulgarity and includes taunting.
